

HANDBOOK

**Including policies, procedures,
suggestions, and requirements**

2019-2020

Dear Meyzeek Band Family:

Welcome to the 2019-2020 school year! I am very happy that you and your family are members of our band program. Whether you are new to music, or have already been in band, I am delighted and proud to be able to work with you at this stage of your musical journey!

There is a \$40 band fee which will allow us to provide some of the basic services and materials needed. ***The band fee will also cover your sixth grade student's uniform band shirt!*** (If your returning Bandling needs a replacement shirt, please refer to the "Uniforms" section of this Handbook.)

Please send the Band Fee and the signed last page of this handbook by September 19, 2019. We begin our fundraiser on September 20, and we would like to have all financial loose-ends before we begin the next step. If there are arrangements that need to be made, please feel free to contact me!

Music has been an incredibly powerful influence in my life, and in the lives of those close to me. Because of my participation in band, I have been able to make musical memories as a performer, a parent, and a traveler in many states and countries. Each experience, however, would be far less memorable without my fellow musicians and friends, and family members. It is my fervent hope that you will, in the coming years, enjoy the many rewards of band, as millions of others have before you.

This class is far more than merely an academic pursuit. You will grow in several ways because of your involvement in band. You will be expected to develop and grow:

- ...musical prowess,
- ...self-discipline,
- ...confidence in yourself and your musical skills,
- ...personal goal-setting skills,
- ...an awareness of music's important role in the enrichment of the human spirit,
- ...and develop a team approach and responsibility to the ensemble and the performance.

Make no mistake; learning to play a musical instrument is NOT easy. If it were, EVERYONE would be a great musician! There will be some challenges along the way, but there will be far more successes. We will improve, together, as a team. I will ask nothing of you that I would not be willing to do (or have already done, already!), nor will I expect anything that you are not capable of! You will do great things!

This Band Handbook covers a wide array of topics that are important to our having a successful year. Please read it.

The last page is to be signed by both parent and student, and then returned to me by September 3, 2019.

Again, welcome to our program! Here's to a fantastic year!

James W. Daniel
Director of Bands

Policies, Procedures, and Guidelines

Contact Info:

There are four avenues of contact that we use: REMIND, the Meyzeek email blast (called the “ListServ”), email, and the band web page.

ALL PARENTS need to be registered for the band’s Remind service. We use this to communicate urgent and/or time-sensitive information and reminders. This is also the only way to contact me in a hurry, as it comes directly to my cell phone. I will NOT flood your phone with scores of alerts, and all conversations are archived.

This year, EACH band class has their own code:

6th Grade THIRD period is @6thband3

6th Grade SIXTH period is @6thband6

7th Grade is @7band2020

8th Grade is @8band2020

Jazz Band is @2020jazz

To sign up, simply
text your class code
to 81010!

Every evening, Meyzeek sends an email to the ListServ enrollees. To sign-up, simply go to our band’s web page. The link is on the right side. This is the most frequently used method of sending information out to the band family, as well as the entire school.

Our web page is www.meyzeekband.com. Please visit the site frequently, as it contains our calendar, policies, documents, tips, links, and wonderful recordings of the best of concert band music. I have designed the page to be helpful to students AND parents.

My school email is: james.daniel@jefferson.kyschools.us.

Parents, please complete the “Photo/Video Release” form on our web page. We would like to share pictures of concerts and events, but cannot unless we have everyone’s release. Yes, you probably completed one when you registered, but this will be kept in the band office for our records.

Expectations:

Conduct:

It is a privilege to be a member of this organization. No member has the right to keep others from learning, treat others with disrespect, or in any way fall short of the expectations of our ensemble. All members are expected to know their music, participate in all band functions, and be the productive team member that is required for any group to be a success.

Our classroom expectations are as follows:

Prepared when the class begins
Respect for equipment, others and self
Involvement at all times
Directions followed the **FIRST** time, **EVERY** time
Expectations will be kept high!

Additional Procedures:

- At the beginning of class, students are given time to assemble their instruments at their seat and begin warming-up. A student doing something other than setting-up and warming-up is a detriment to the ensemble, and they will be considered “tardy.” The grade book will reflect this.
- No food, gum, candy, or drinks are allowed in the band room.
- IF IT’S NOT YOURS, DON’T TOUCH IT! This applies, especially, to the percussion equipment or instruments and/or equipment that belong to others.
- Because our students are involved in many other activities, I try to limit the number of after-school rehearsals. At these rehearsals, attendance is **most definitely required**. Please remember to arrange transportation ahead of time, and be punctual. (*Please bear in mind that teachers have families! Also, our dogs would be MOST appreciative if we were home on time!*)
- CELL PHONES or other electronic devices are to be turned off, and completely out of sight when in class, after-school rehearsals, and especially at performances! The phone may be confiscated and held per Meyzeek/JCPS policy.
- When a **call time** is announced, students are required to be at the indicated location, prepared to play. **NO STUDENT** is allowed to leave their assigned area without the express consent of Mr. Daniel! Families, please assist us with chairs, stands, or other equipment that needs to be put away afterwards! Thank you!

Band Trips and/or Performances:

- Students must have turned in the appropriate permission slip
- Students must follow all school rules and dress code.
- Students will represent Meyzeek Middle School the best way possible at all times by being respectful and polite.
- Students must follow all bus rules.
- Students must ride school transportation to and from an event unless approved by Mr. Daniel **IN WRITING** no later than 24 hours prior to the scheduled departure.

Funding:

Our program needs funding for fees, buses, substitutes, new equipment, music, and the expensive instruments. The JCPS Board of Education is able to provide some money for repairs, but this usually lasts only a few months.

We NEED every band member to participate in our fundraisers and contribute to a strong program. We have seen many parents participate in fundraisers, and they do especially well when they sell at work! If you cannot or do not wish to participate in a particular fundraiser, we understand. However, it is possible to simply send cash or a check, and it will be counted as a donation. This has been a VERY popular option, recently, and our band keeps 100% of the money!

There will be some registration fees for participation in JCPS All-County Honor Bands, Solo and Ensemble Contest, or honor bands hosted by the University of Louisville or Morehead State University. Details will be released about those in due time.

There is a nominal \$40 Band Fee for each student. The JCPS Board has approved that we collect up to \$65 per student, but we feel that, at this point, this nominal amount will offset some of our more minor expenses in a more equitable manner.

If you are interested in our finances, and how we are using them, please feel welcome to make an appointment with me, and I would be happy to sit down with you.

Uniforms:

The members of all our bands must have concert uniforms. This will consist of **black** dress pants (not jeans, stretch pants, or khakis). **BLACK** dress shoes and socks/hosiery are also required! Black tennis shoes **WILL** look like tennis shoes on stage, and if there is any colored or white trim on them, they look even worse. We ask that everyone helps the ensemble look its best! **THANK YOU!**

If your student is new to our program, we will provide their first shirt to them. If you are a returning student who has outgrown your shirt, or are wanting to purchase additional shirts for family or friends, they will be available for purchase soon after school starts.

Instruments:

It is recommended that each student rent their own instrument. Meyzeek does have a limited inventory, primarily of large instruments such as baritone sax, baritone horns, tubas, and large percussion equipment. Details will be given in class on how your student can request a horn. **PLEASE** go to our Web Site, under the “Beginners” tab for more information about instruments; **NOT ALL INSTRUMENTS ARE CREATED EQUAL!!**

The student is responsible for obtaining the book, mouthpieces, oils, and other materials for school-owned instruments, as well. These items will be discussed in class, and a complete list will be given to each student based upon their specific instrument needs.

Renting Instruments: (this is usually the BEST choice!)

Renting an instrument is STRONGLY encouraged, as opposed to purchasing.

- Insurance plans are frequently available.
- Rent can be applied to purchase at a later date.
- One-stop shopping—get your supplies (book, reeds, etc.) at the same location.
- Repairs are done in-house, expediting the process.
- **PLEASE go to Meyzeekband.com/beginners, where there is a LOT of information on the quality of instruments, and how they effect your student.**

Meyzeek Owned Instruments:

Because these are in very limited supply, we ask that all families that are able to rent do so. School-owned instruments are available on a first-come, first-serve basis. There is a JCPS BOE-approved \$40 fee for the entire school year. If the student withdraws from Meyzeek, we will reimburse at \$20 per semester registered.

Purchasing Instruments:

This is the LEAST desirable option. All directors have seen horror-stories, including the purchase of instruments which cannot be repaired, had been stolen, are in need of hundreds of dollars of repairs (before they can play one note!), are worn-out, rotten, or aren't right for the student because of any number of reasons. PLEASE contact me if you are considering the purchase of an instrument! I will be happy to assist you!

Ensembles and Performance Opportunities:

6th Grade, Beginning Band: No previous musical experience is necessary, only a desire to practice daily, and improve with the ensemble! Students will be introduced to the major instruments of the concert band. We will, together, agree on instrument assignments based upon student choice and ensemble needs. Instruction will include instrument assembly, care, safety, and maintenance, characteristic tone production, air support, the comprehension, interpretation, and composition of notated music, aural skill development, and the role of the individual in the ensemble, both as musicians and team members. Successful completion of this class as well as its end-of year written and performance tests allows advancement to the 7th Grade Intermediate Band.

7th Grade, Intermediate Band: Students will continue to develop their instrumental technique, both as individuals, and ensemble members. The students' musical skills will develop to include all 12 major scales, the chromatic scale, as well as band literature of at least a grade II level. Instruction will include performances at adjudicated Solo and Ensemble Contest, KMEA Large Ensemble Festival, as well as other performance throughout the year. Successful completion of this class as well as its end-of year written test and audition allows advancement to the 8th Grade Advanced Band.

8th Grade, Advanced Band: Students will continue to develop their musical prowess to include all 12 major scales, some in two octaves and minor, the chromatic scale to the full range of their instrument, as well as performing literature of at least a grade III level. Instruction will include performances in adjudicated Solo & Ensemble Contest, KMEA Large Ensemble Festival, as well as other performances throughout the year.

ALL ENSEMBLES: Students may be responsible for the purchase of their own reeds, mouthpieces, oils, the class-specific band book, and all-black performance attire. In most all cases, the rental of a quality, name-brand instrument will be FAR preferred to the school-owned instruments. Percussionists will need snare sticks and two pairs of mallets; yarn and soft rubber. Performances outside of the normal school day, and at off-site locations, are part of the curriculum, and, as such, are required.

OTHER ENSEMBLES: Additionally, students may audition into the **Jazz Band** which will meet after school on Mondays. Every year, the band program performs at least three major concerts, including the **Winter Holiday Program**, the **Concert Festival Pre-Concert**, and our year-ending **Spring Concert**. Some years we also perform at **8th Grade Commencement**. The 8th Grade Band also makes an annual Veterans' Day tour of a couple retirement homes in the area.

Students are encouraged to audition for several other ensembles throughout the year. During the summer and at the beginning of school, auditions are held for the **Louisville Youth Orchestra**. This is an elite organization, offering several ensembles which many of our students would qualify for! Go to our web page, then "Links," and follow the LYO links to research and register.

Solo and Ensemble:

Each spring, hundreds of thousands of American band students from elementary grades to seniors in high school participate in their local **Solo and Ensemble Contest**. This is NON-COMPETITIVE. Students prepare a solo that is appropriate to their experience level, go to Atherton High School, and perform for one judge, who is usually a band director from the outlying areas or a retiree. There is NO audience, so there should be no pressure! Students are also encouraged to prepare a duet with another band student. In some cases, trios or larger can be formed. There is a nominal fee associated with each event (\$7 for each solo, \$12 per ensemble). This is a required event, please see "Grading," later in the Handbook.

Honor Bands:

Every year, there are several honor bands that select top students from around our area. I VERY STRONGLY encourage each of our students to audition for these. They are wonderful ensembles that allow students to meet friends from other schools, while getting to know high-quality band literature, while surrounded by other very dedicated musicians. Some of the honor bands are:

- JCPS 7th and 8th grade Honor Band (Auditions are in the middle of fall.)
- Jefferson County/Oldham County Service Band (Information will be given in fall)

- **Morehead State University Honor Band** (Hosted in November.)
- *(Honor Bands, continued...)*
- **JCPS 5th and 6th Grade Honor Band** (Auditions held in the spring.)
- **University of Louisville Middle School Honor Band** (Held in June.)

Practice:

There is NO way possible for a musician to succeed without practicing. We all expect athletes to practice; *how can a musician succeed without it?!*

Practice Smart!

- Try to schedule a time every day to practice
- NEVER practice without clear goals. Identify exactly WHAT will you be able to do when you are done, then GET IT!
- Set short-term AND long-term goals. Short-term would be a particular measure or phrase. Long-term would be technique, such as cleaner articulations, hand/grip discipline in percussion, better air support, etc.
- Use a metronome, especially if you think that you don't need one!
- Practice someplace quiet and free of distraction. NO other music or noise should be in earshot!
- Use a mirror, at times, to check your embouchure for problems.
- Yes, you need to practice for the required amount of time each week. The minutes should NOT guide your practicing! **Set your goals; work on those**, plus scales, range, rudiments, tone, etc., and you will have plenty of minutes logged!
- Use correct posture and hand position at all times
- Practice in small segments – 15 minutes here – 15 minutes there. Long, marathon-like sessions will do more harm than good. It's physical exercise, plus, there is brain research that shows us HOW we most effectively retain skills. Trust me! Spread the work out in short bursts!
- Isolate difficult passages and practice them slowly. It is better to play slow and accurate than fast and sloppy.
- STAY POSITIVE! Not everything will be easy. If you are getting frustrated take a break and come back to it another time.
- Always strive for your best sound! **SOUND IS EVERYTHING!**
- Play for others as often as possible. Play for your family, church, dog or anyone that will listen!
- "Practice, practice, practice! And when you're done? PRACTICE SOME MORE!"

Before School:

99% of the time, I arrive in time to open the band hall at 7:00 AM for practicing. All students are encouraged to use this time, but especially those who have instruments that are too large to transport home on a nightly basis. If transportation is an issue, I suggest car-pooling with another family that is able to arrive early.

- The room is open for PRACTICING, not socializing.
- This is an opportunity for individual practice, not group playing.
- Please straighten the chairs and stands on the way out, in preparation for the next class. (Leave the room cleaner than when you arrived!)

Private Lessons:

Band directors can do only so much...Private lessons are STRONGLY encouraged out of every student in any band. If we could make them a requirement, we would—they are THAT important! The improvement in your child will be impressive, and it is money well invested in their future.

Most teachers will teach hour-long lessons, once per week. Far less is accomplished in 30 minutes. If you would like assistance in finding a teacher or want to check the qualifications or reputation of a possible instructor, you can contact me or good music store! Additionally, see the section, below, about “Practice Records.”

Grading:

We assume that every child will come to class prepared to participate and ready to learn. Grades will be computed based upon informal and formal playing checks and tests (50%; “Student Mastery”), in-class work and quizzes (30%; “Student Progression”), and indication of practicing towards mastery (20%; Student Engagement”). For grading purposes, performances are generally treated as playing tests. These percentages will vary from one six-weeks to another, because of special projects, performances, etc.

Members of band are expected to be prepared, able to play their part on any given day. *Students who are unable to perform their music may be cut from a performance, and their grade may be reduced at the discretion of the director.*

Solo and Ensemble Contest:

This event (described earlier under “Performances”) is a VERY effective teaching tool. The increased musical and performance skills that are developed are no less than critical to the health of the entire ensemble. For these reasons, and many more, Solo and Ensemble is a requirement of our program. Please reserve the date as far ahead of time as possible. The calendar is located on our web page. Grades will be earned for prior preparation and performing on that day.

Practice Records:

Practice records will be explained in detail during class. They are to be turned-in on MONDAY, showing the times and skill practiced for the preceding week. Each student must practice for at least the minimum number of minutes per week. (More practice time are needed during the second semester for upcoming performances.) Blank practice records are located in the drawers located on the table in the band hall. Also, they can be printed from the band web page, under the “Documents” link, as well as on the Home page.

If a student is taking weekly private lessons, a “Private Teacher Form” (found on the “Documents” page) may be submitted instead of a practice record. If there is no lesson for that week, a Practice Record will need to be submitted, as normal.

Conduct Grades:

The conduct grade included in the report card is a separate grade. It is not to be confused with the *participation* of a student in class.

TOP TEN RULES OF CONCERT ETIQUETTE:

1. Refrain from talking. The first and greatest rule. It also includes whispering to or disciplining your other children.
2. Refrain from noisy wrappers during the performance. If the composer wanted to include crinkly-paper-noises in the music, he/she would have written it into the parts.
3. Turn off pagers, cell phones and watch alarms. While many cell phones and pagers have symphonic-like rings, they don't always fit into the musical score, nor do they provide pleasant sounds for your neighbors.
4. Do not wave to your children during the concert. After all, they do know who you are already, and they know you are there; you most likely brought them to the concert.
5. Do not take flash photography. You do not want your child to fall off the stage from blindness, do you?
6. Do not walk down the center aisle with your video camera. Video cameras work just as well from the back of the auditorium. (Besides; the light is usually not good enough for videotaping anyway.)
7. Do not leave as soon as your child's portion of the concert is over. All of the students deserve a full audience for their performances. (*Remember, next time, your child's performance could be last!*)
8. Applaud at appropriate times. Some musical selections have several sections. Remember, it's not over until all of the sections of that selection have been performed.
9. When you need to briefly step out, or return, PLEASE: wait until you hear applause to move. (*Unless you are carrying an upset child!*)
...and, most importantly:
10. BE THERE!

-adapted from *musicfriends.org*

Meyzeek Band Pledge

I, _____ have received my *Band Handbook* for the Meyzeek Band Department. I fully realize that I am important to **everyone** in the band and everyone is important to me. I also recognize each rehearsal and performance is very important and I will do my best to be at each one on time, prepared mentally and physically, ready to think positively and to work toward the mutual goals of **our** program.

I realize that all people are equal in **our** band program and I will pass off all musical assignments on time, with the best quality I am capable of.

Most of all, I recognize that honesty and integrity among my fellow band members and directors are my most important contributions to myself, and our band program. Without them, I believe we all lose.

I understand that the director's role is to instruct and I will accept those instructions openly in order to make our band program better.

I will also work toward keeping up with all of my materials, supplies, and instrument. I will also do my best to help other people with this.

I will do my best to think positively, create a positive atmosphere with my actions, and do my part to make this an enjoyable and successful class.

(It is important to note that this pledge was written by a high-school student from Mississippi almost 30 years ago. Their devotion, care, and concern for the well-being of their band program is obvious, and it is our hope that each of our students will also develop a similar commitment to music and our program.)
