Jefferson County Public Schools
6th Grade All County Band Auditions
March 7, 2019
4:30-7:00pm
Newburg Middle School

The sight reading portion of the audition will occur after you have performed your scale and your piece. You will have 30 seconds to sight read 4 measures of music. Use a method that you know to sight read those 4 measures without playing your instrument.
When your sight reading time is over, your adjudicator will ask for you to begin playing those 4 measures. After you have played those 4 measures, you may leave the audition room.
